

## The Best Place to Buy

The nearest store is not always the best store. It will pay you therefore to seek a good store—even if seems a little out of the way. Your telephone and our free delivery service eliminates distance anyway. We meet any conditions you may require as a careful drug buyer—best quality, ideal service and right prices. Our stock is complete and goods are all fresh.

## DR. PORTER HEARD AT BAPTIST CHURCH

Church Filled to Its Capacity and Many Favorable Comments Heard on Sermon.

Last night Dr. Porter of Dallas preached to a packed house at the First Baptist Church, and many were the favorable comments made by those present, some saying that it was the most powerful presentation of the gospel ever delivered in Bryan, while many others said they had never heard a greater sermon anywhere, all agreeing that it was a powerful discourse and that Bryan was fortunate in getting to hear him. His text was taken from John 14:14: "If a man die, shall he live again?" His subject was "The Life That Lasts." For three-quarters of an hour Dr. Porter, with reason and Scripture, showed that there was a life beyond the grave. Three reasons were given why we shall live anew. The first was the inborn desire to live on in the breast of man. God would not plant it there and then fool the man. The bird knows when spring and summer come and takes its flight for the North and there finds green swards and hanging fruits. If God will not fool the bird certainly He will not fool you. The lungs have a taste or appetite for air and God has filled this world forty miles deep with atmosphere for the lungs to breathe. God has satisfied the eye with fields elysian and the colors of the rainbow. He has satisfied the ear with the gentle zephyr and the roaring cataract, the warbling birds and the human voice, in music. Again he showed by the Holy Scriptures that man is immortal. In God's word we are promised everlasting life by believing in Jesus Christ. Heaven and hell are forever, and why so unless man is to live on and on. Jesus Christ said that our souls are immortal when He said "Whoever shall drink of the water that I shall give him shall never thirst, but the water that I shall give him shall be in him, a well of water springing up into everlasting life." Quotation after quotation from poets and authors were given to show that this life does not

end all, but that man shall live on in that sunnier clime and with the redeemed host and with the blessed Christ forever and ever.

The charm in Dr. Porter's preaching is threefold. He has a voice full of music; he has a strong mind and is logical in his thinking and reasoning. And he is a man of great faith in God and man and his preaching is full of earnest faith that insures results. Long to be remembered by the people of Bryan is the sermon of Dr. Porter last night at the First Baptist Church.

## COLE-RHODES.

Mr. Emmett Cole and Miss Aline Rhodes, both of this city, were united in marriage yesterday afternoon at 3:30 o'clock at the home of the bride's mother, Mrs. A. M. Rhodes, Rev. J. L. Massey, pastor of the Methodist Church of Navasota, officiating. A more extended notice of the wedding will appear in the society columns of The Eagle Saturday afternoon. Mr. and Mrs. Cole left immediately after the ceremony for San Antonio, where they will spend a few days before going to California on their wedding trip.

Mrs. Lucy King has returned to her home in Waco, after a visit to relatives and friends in this city.

Dr. and Mrs. W. G. Drummond and daughter, Miss Pearl, of Cottonwood, were among the visitors to the city today.

J. O. Tucker Sr. has returned from a visit to Marlin, where he had been in the interest of his health. He is much improved.

## KEY RATE REDUCED.

Action of State Insurance Board Gives Bryan Six Cents Reduction.

John A. Moore informed The Eagle today that the fire insurance key rate for Bryan had been reduced six cents by the State Insurance Board, which gives us a reduction of six cents on the one hundred dollars. The improved conditions bringing about the reduction are on the following items:

Water supply increase of 10 per cent, 2 cents.

Extension of mains in business and residence sections, 3 cents.

Auto chemical fire engine, 2 cents.

The key rate was 52 cents, but with these reductions it is now 46 cents.

This reduction became effective May 28, and all policies written since that time are entitled to the benefit of the reduction.

## MEETING HOUR CHANGED.

On account of the commencement exercises at the college tomorrow, the weekly meeting of the directors of the Commercial Club will be held at 10 o'clock Wednesday, instead of Tuesday. Let each director keep this change of dates in mind and report promptly Wednesday at 10 a. m.

By order of the president.

H. L. McKnight, Secretary.

## CONGRATULATIONS.

The Eagle wishes to congratulate the citizens of Bryan on the splendid attendance at the A. & M. College yesterday and again today. Let all remember that tomorrow is commencement day and the record should be broken in point of attendance.

## TO THE PUBLIC.

The city of Bryan will make a special effort to keep all streets in the business district thoroughly clean during commencement exercises at A. & M. College, and would ask co-operation of all citizens. Please do not throw paper or trash in streets, or around back doors, but use receptacles for that purpose.

W. W. HARRIS, Mayor.

## TEARING DOWN OLD JAIL.

Work was begun today in tearing down the old county jail building, the material of which was sold to J. T. Lawler some time ago by the commissioners' court. The iron work of the building will be taken out first and the cages taken to the county convict farm and used for confining the convicts. The brick and wooden parts will either be sold by Mr. Lawler or used in other building purposes.

## SIGNED CONTRACT FOR WELL.

Fred Standard of League City, to whom the city of Bryan has let the contract to drill a deep well, arrived yesterday from Genoa, Texas, where he has just finished a deep well for the G. H. & H. Railroad. Mr. Standard signed a contract for the city to put in a well 300 feet deep and eight inches in diameter. The well is to be located on the city lots near the negro public school on the East Side, which is considered one of the best locations in the city. The work is to begin just as soon as Mr. Standard's derrick and apparatus arrive, which are expected some time this week.
